YOEMEN FACE HARDEST TEST

CAMERON DEFEATS FREDRICKSBURG

YOEMEN TAKE BI-DISTRICT TITLE BY SCORE 14 TO 6

Two quick touchdowns in the first quarter and then a rugged defense for three periods brought new football conquests to Leo Jackson's Yoemen Friday night when they took the Bi-District game from Fredricksburg 14 to 6.

Although badly outplayed in the second half the Yoemen were able to stave off the Hill Billies on a number of goal threats but did give up one touchdown which was scored on two plays shortly after the third period opened.

The Yoemen showed the effects of the terrific pace and appeared tired for the first time this season, but little more could be said for the Hill Billies who were beaten to a pulp as two stout lines fought it out in a virtual toe to battle throughout the game. Line play decided the game plus a great pass defense by the Yoemen who staved off defeat time and time again as Southpaw Boy Tanner heaved long ones down the field to Buddy Molberg.

Cameron opened the game with a bang, receiving the kickoff and marching some 65 yards for a score without losing the ball.

Schlaudt kicked off for Fredricksburg and T. J. O'Neill received for Cameron and fumbled but recovered to make a good run back. On the first play of the game O'Neill got a first down and then Paul Burke raced away for 20 yards and the ball was on the 30. Burke then got away around the Hill Billy right end to run the ball to the two yard line and on the next play Laurence Michalka carried over. Burke lobbed it through the uprights and the score was 7 to 0 with the Fredricksburg fans more or less bewildered by the dazzling speed of the Yoemen.

Riola kicked off and Dietrich returned 15 yards. Molberg failed to gain and Jimmy O'Neill, center, broke through and spilled the Hill Billy Ace for 5 yards loss and then Molberg kicked out on the Cameron 45. Burke on an end sweep got 4 yards and O'Neill picked up 5 to make it a first down. Burke failed as Kott broke through to stop him. O'Neill got 6 and Cameron was penalized (turn to page twelve)

PLAY BY PLAY REPORT BI-DISTRICT GAME FREDRICKSBURG DECEMBER 6

First Quarter
Co-Captains Russell Wallis and T. J. O'Neill for the Yoemen met Captain Clinton Priess in the center of the field. Cameron won the toss and Fredricksburg kicked off to the Yoemen who were defending the east goal.

Schlaudt, end, kicked off to O'Neill who fumbled on his 25 but recovered to run the ball back 15 yards. O'Neill got a first down on the 50 in the first play of the game. Paul Burke who played a stellar game at full back raced 20 yards for another first down and the ball was on the Hill Billy 30. On the next play Burke got 20 more and the ball was on the 10. Burke took the ball from Michalka and raced 8 to the 2 and on the next play Michalka on a quarterback sneak went over for the score and Burke promptly added the extra point. Score Cameron 7, Fredricksburg, 0.

Riola kicked to Dietrich who received on the 10 and was knocked down after a 15 yard return, the ball

was on the 25. Joe Hawkins who raced down to stop Dietrich came out for repairs and a new jersey. On the first play Buddy Molberg who was to bear the brunt of the Hill Billy offensive was spilled for a 5 yard loss by Jimmy O'Neill, the Cameron center. Molberg was stopped by Duncan and Riola and had to kick. He punted out on the Cameron 45. Burke tried an end sweep and got 4 and the next play O'Neill ran for 15 around the Hill Billy left end and it was a first down. Burke failed to gain as Robert Kott, the Hill Billy left guard broke through. On the next play O'Neill got 6 but Cameron was penalized 5 yards and the ball was, on the 25. Burke kicked over the goal line and the ball came out on the 20. Molberg failed to gain as he was stopped by Wallis and Jimmy O'Neill. On the next play T. J. O'Neill intercepted a pass from Molberg but fumbled. The ball was recovered by Cameron, Billy Hauk got 4 yards and O'Neill failed to gain as he fell on (turn to page twelve)

ERNEST EGGERT DIED HERE EARLY SATURDAY

Ernest Eggert, 80, widely known citizen and for many years a building contractor in Cameron, died from a heart attack at 8:10 a. m. Saturday morning December 7 at his home in this city.

Mr. Eggert was born in Hamburg, Germany on February 13, 1866. He came to America when 17 years of age and landed at Galveston. From that city he came to Cameron and made his home here for many years. Mr. Eggert was a prominent member of the Presbyterian church where he served as an Elder. He had been a member here for 41 years.

His wife preceded him in death in 1932.

Funeral services were pending the arrival of his son, Gus Eggert from Griffin, Georgia.

The body will be at the Marek-Burns Funeral Home until the funeral hour.

Surviving are the following children: Gus Eggert of Griffin Georgia; Mrs. J. F. McLane of Houston and Mrs. Henry Watson of McGregor. Two grand children and one great grand child also survive.

Mr. Eggert's death came as a shock to the people of Cameron for he was one of the most prominent and highly esteemed citizens here. His life had been a profound influence upon the community and his fellow townsmen.

Mack's Oil Company Sponsors Report Of The Bi-District Game

Mack's Oil Company sponsored the telephone report of the play by play of the bi-district game in Fredricksburg on Friday night.

A. W. McCullin who is Mayor of Cameron made arrangements late Friday for the broadcast and J. R. Hays was on the telephone to give the Cameron fans the report, received in the Ada Henderson school.

The broadcast was appreciated and Mr. McCullin was being praised for his interest in getting the report to Cameron fans who could not attend the game.

Major and Mrs. Carl Spele and little daughter, Ann from El Paso, Mrs. H. T. Goodson of Dallas, Mrs. C. B. Thompson of Dallas, and Mrs. G. W. Hampton of Houston attended the Thanksgiving football game in Austin, and returned to Cameron where they visited in the home of their mother and grandmother, Mrs. Allie Kinard. They also enjoyed Thanksgiving turkey dinner with Mr. and Mrs. Melvin Ford at their new country home.

Mr. and Mrs. Perry Stricker of Clarkson have returned from a deer hunt near Fredricksburg, and brought home an eight point buck.

L. R. FIKES DIED IN WACO HOSPITAL SUNDAY

L. R. Fikes of Cameron, died Sunday in a Waco Hospital.

Mr. Fikes was a native of Milam county and a brother of the late Dick Fikes who served for many years as County Treasurer of Milam county.

Mr. Fikes who was about 65 years of age, had been in ill health for a number of years and had made his home in Waco with relatives for some time.

The body was being brought to Cameron by an ambulance of the Green Funeral Home and funeral arrangements were to be made later in the day.

Additional information will be made available later. The deceased was also a half brother of Raymond Fikes, Cameron cafe owner.

Interment will be made in the cemetery at North Elm, the hour to be announced. It was said the funeral will be held Tuesday.

CAMERON MUST PLAY MART FOR REGIONAL

Cameron will play Mart for the Regional Football Title, the date to be announced.

Mart defeated McGregor in a late fourth period rally Friday night by passes. The score was 7 to 7 until Tommy Burke, panther throwing ace found his receivers.

Superintendent W. T. Hanes and Coach Leo Jackson were due to meet with representatives from Mart late Saturday or Sunday to determine where the Regional game will be played.

Cameron was highly interested in bringing the game here and the fullest co-operation was in readiness.

If it cannot be played locally Cameron will favor Temple as the logical site for the game.

TEXAS BAR HEAD VISITS IN M. G. COX HOME HERE

James Sheppard of Houston, President of the Texas Bar Association, spent the night in the home of Mr. and Mrs. M. G. Cox Thursday. Mr. Sheppard was on his way to Waco to address a meeting of Bar Members there.

Mr. Cox, prominent member of the Texas Bar, is an official in the association.

Mr. Sheppard was looking forward to a meeting in Galveston soon to observe the Centennial of the Texas courts. In 1846 the first Federal court was held in Texas and also the first state court had been in session at that time.

FUNERAL SERVICES HELD SUNDAY FOR E. EGGERT

Funeral services were held Sunday afternoon December 8 for Ernest Eggert, 80, who died suddenly early Saturday morning, December 7 at his home on Lamar street in Cameron.

Mrs. John F. McLane of Houston, his daughter, was with him at the time of his death.

Mr. Eggert had been prominent as a citizen and leader in the community for more than a half century, and his death removes from the ranks of those whose foresight and planning developed the city and made it a better place in which to live.

Services were conducted at the First Presbyterian Church with Rev. E. O. Harrell, minister, officiating, at 4 p. m. on Sunday, December 8, after the body had remained in state in the church. Brief concluding services were held at the grave side in Oak Hill Cemetery on the family burial plot. The Marek-Burns Funeral Home directed arrangements.

A combined choir from all churches in the city rendered appropriate music with Mrs. Henry Sapp at the organ. The casket was draped with elaborate floral wreaths and sprays.

The following were active pall bearers: John Jeter, E. A. Perrin, John B. Henderson, Alvin Dusek, F. J. Beckerman and Drayton McLane. All officers of the church composed the honorary pall bearers as follows: Elders, Judge John Watson, Dr. James Watson, Robert McLane, Drayton McLane, Alvin Dusek and Dan Tyson. Deacons: Monta Thomas, Judd G. Davis, Emory B. Camp, John Davis, William Moran, Charles Terry, J. M. Boehner, Henry Dakel, Vernon Harrison, D. K. Hall, August Knipp, John C. Muse and Ladis Marek.

Mr. Eggert had been a faithful member and officer, as Ruling Elder, of the Presbyterian church here for over 40 years, and he had served in many other capacities, including Chairman of the Building Committee on the construction of the present church plant, and only recently supervised the re-installation of the old church bell, salvaged from the original frame church which stood at the corner of North Central and East 3rd street, its spire for many years a part of the modest skyline of a city that is old in religious life and traditions.

One of the highlights in his Christian experience and activity was his assignment as Commissioner to the General Assembly of the Southern Presbyterian Church at Meridian, Mississippi in 1938.

Mr. Eggert has many monuments in buildings he has constructed in and around Cameron, during his long and efficient career as a contractor of homes and business buildings. Most of all in the appraisal of his worth in this community was his Christian life which was and remains a worthy precept for all in the community.

Surviving in the immediate family are his son, Ernest G. Eggert, Public Health Engineer of the Department of Health, state of Georgia, in Atlanta, Ga., and his daughters, Mrs. John F. McLane, Houston and Mrs. C. H. Watson of Waco and McGregor.

Rev. Donald Rose To Be At Little River Baptist Church, Dec. 15

Rev. Donald Rose, from Southwestern Baptist Theological Seminary, Fort Worth, will preach at both the morning and night services, December 15 at Little River Baptist Church.

Mrs. Rose will accompany her husband, and will furnish special music on the Vibra Harp. This Vibra Harp is the very best instrument of its kind that could be bought, and was purchased at a price between \$500 and \$1000.00.

If you are not attending Church some place else, come out to the Little River Church and worship. You will receive a blessing and be a blessing.

Rev. J. A. McIver, who is connected with Southwestern Seminary was in the pulpit at both the morning and evening services last Sunday.

MEET MART FRIDAY IN REGIONAL GAME

Cameron was both thrilled and jittery on the eve of the Regional football game between the Yoemen and the Mart Panthers on Woodson Field in Temple Friday night.

Thrilled over the magnificent record of the Yoemen and their first crack at a regional title since 1936. Ten years is a long time, jittery because of weather prospects and over the ailments of two starters in the backfield.

Nothing could be more disappointing than to face a game which will be the hardest of the year for the Yoemen, than to know that Laurence Michalka and T. J. O'Neill are both pulling up too slow from injuries sustained in the Fredricksburg game. Michalka, the man under the T is indispensable if Cameron is to play up to standard.

Coach Leo Jackson was not too

gloomy. Coach of the line, Dick Young, said every lineman would be ready. George Hollas is o. k. and Charlie Riola has snapped back into form.

Jimmy Hauk, first string backfield man, will see the game from the side lines in an ambulance supplied by Marek-Burns.

Richard Earl Burke is ready to step into the half back slot lost to Hauk when his right leg was broken at Fredricksburg.

The field only 29 miles away has insured one of the largest crowds in Cameron history going to a ball game outside the city. Support was piling up for the Yoemen. Win or lose all Cameron will be proud of them.

Here is how it looks: Dry field, Cameron 21, Mart 13. Wet field or rain: Cameron 7, Mart 0.

ENTIRELY NEW CHRYSLER MODEL ON DISPLAY HERE ALL IS NOT GLOOM AT THE YOEMEN CLUB HOUSE

Chrysler's sensational new "Town and Country" car is now being displayed by Green Motor Company at Howell & 7th Streets. This car is entirely new in design and construction, featuring the use of ornamental woods in the body. The result is distinctive, individualistic styling and flowing, symmetrical contours.

Formerly confined to four-door sedans of six and nine-passenger capacity, the Town and Country line now comprises a four-door six-passenger capacity, the Town and Country line now comprises a four-door six-passenger sedan, a luxury brougham, a roadster, a convertible coupe and custom club coupe.

President David A. Wallace of the Chrysler Division, who was the first to see the possibilities of transforming a strictly "utility" vehicle into an ultra-smart passenger car, took the success of the first Town and Country model introduced in 1941 as an indication that this type of vehicle would lend itself to a large variety of body styles.

The complete line of Town and Country cars now offered was conceived and contemplated for the 1943 Chrysler line, which it was not possible to build due to war conditions developing. However, the artists' designs and everything else were well developed, together with the plans for manufacture.

In the summer of 1944, when the automobile industry was given authority by the Government to do some development work on new designs, Chrysler's pilot models of the Town and Country line were completed. The program later had to be held up, but production plans were developed immediately after "V-J Day."

While this complete line carries the name given to the nine-passenger station wagon that Chrysler previously built, neither the styling nor any other part of it follows the original design.

All of the cars in the Town and Country have the common characteristic of bodies built of two kinds of ornamental wood, left in their natural colors.

J. O. Griswold Died At Merkel Tues. Night

J. O. Griswold, former resident of Milam county died last night, at the home of his daughter-in-law at Merkel, Texas.

Funeral arrangements are pending the arrival of relatives. The body will arrive tonight, and remain at Green Funeral Home until the funeral hour, which will be announced later.

Surviving Mr. Griswold are two daughters; Mrs. Howard Stafford of Killeen and Mrs. Howard Turner of California, and two sons; O. L. Griswold and Edward Griswold both of Dallas.

PAY CASH for good used cars. See me before you sell. George Childress. Any make radio repaired. Call 104. PARMA RAIDO SERVICE.

All is not gloom at the Yoemen club house as the boys faced the last and perhaps hardest assignment of the year in their Regional title game against Mart at Woodson Field in Temple Friday night.

Th Yoemen came out of the Fredricksburg game considerably mauled and some anxiety was felt over the condition of T. J. O'Neill who is still at home suffering from a badly hurt knee. Laurence Michalka, the man under the T was favoring a bad leg but Charles Riola, big tackle, had come around in good shape.

Leo Jackson said that he was hopeful that both Michalka and O'Neill would be ready to go. Doctors were allowing them plenty of time but on the whole the situation was not as optimistic as might be. George Hollas was injured in the game but has snapped back into form. Billy Hauk is out with a broken right ankle.

Dick Young, line coach, said that his line would be ready to go and as strong as ever. He declares the Yoemen line is the best he has seen at the school.

Chief among Jackson's worries were getting his ace backfield men into shape. Paul Burke, full back, came out of the Fredricksburg game without injuries.

Richard Burke, half back who sustained a broken arm in the early part of the season and who was kept out of all games except the Taylor game, saw service against Fredricksburg after Hauk was injured. He should be in top form and with the "chips down" he will have to come through to take Hauk's place against Mart.

Prospects that the Yoemen would be up to usual form were not bright. Coach Jackson was hopeful but at the same time admits that there is a likelihood his back field will be slowed down.

Fans were standing in line at the offices of the Texas Power & Light Company early Wednesday to buy tickets to the Cameron-Mart game to be played for the Regional title in Temple Friday.

By noon Wednesday about 700 tickets had been sold. Only 750 were allotted to Cameron.

Tickets purchased in advance will be \$1.25 for adults and 30c for students. All tickets purchased at the game Friday night will be \$1.25 regardless of whether you are student.

It was certain that there would be a complete sell out of tickets.

General admission tickets which begin at the 35 yard line will be placed on sale Thursday. There will be 1500 of them. A seat in the stands is insured for every ticket sold here.

V-Mail to Britain
The signal corps V-mail section in the United Kingdom handled a total of 517,000,000 pieces of V-mail during the period June, 1942, to August, 1945, the war department reports.

Erysipelas Germ
The swine erysipelas germ has been known to cause losses in turkey flocks and to produce a serious type of stiff lamb disease (arthritis).

CARNIVAL PROGRAM IS ANNOUNCED FOR SCHOOL

The annual school carnival where the Football Queen will be crowned, will be held Thursday night, December 19 at the gymnasium.

The carnival is being sponsored by the local schools and the Parent-Teacher Association. Crowning the football queen will be one of the big events of the carnival.

Funds from this carnival will be divided between Yoe High, Ada Henderson schools and the Parent Teachers.

The schools will use these funds for their parts in the Interscholastic League for which no funds are available at this time. The Parent Teacher Association will contribute the funds they receive to a free milk fund for the schools.

Municipal Christmas Tree Going Up; Will Speed Up Yule Spirit

Cameron's Municipal Christmas Tree, the first since the beginning of the late war, was going up Thursday afternoon on the court house lawn. Mayor McCullin had dispatched a truck for the tree earlier in the day and city employees were erecting the tree.

So far as known to The Herald no program incident to the tree has been announced. It was presumed that the Chamber of Commerce would resume its old practice of sponsoring the tree and perhaps free candy or gifts for the children.

Bonnie Mae Murry Wed Charles F. Staggs In Belton On Wednesday

Miss Bonnie Mae Murry, daughter of Mr. and Mrs. J. M. Treadway of Cameron, and Charles F. Staggs, son of Mr. and Mrs. Elmer Staggs of Bedford, Indiana, were united in marriage in Belton, Wednesday, November 20, by Judge I. E. Armstrong.

The bride was attired in a gold colored dress with matching shoes and hat. She wore a corsage of white carnations.

Mrs. Staggs was born and reared in Cameron, and is a graduate of Yoe High School. Mr. Staggs, who has been stationed at Camp Hood for the past year is a veteran of the past war, having served three years in the European Theatre of Operations during the conflict. After the war ended he served one year on occupational duty as M. P.

The couple left immediately for Indiana where they will make their home.

Miss Patsy Powell Is Bride Mack Nicholson In Church Wedding

In a single ring ceremony, Miss Patsy Powell, daughter of Mr. and Mrs. Hugh Powell of Ad Hall became the bride of Mack Nicholson, son of O. P. Nicholson of Cameron, Saturday, November 16, at eight o'clock, at First Baptist Church in Cameron. Rev. L. L. Morris, pastor read the service.

The bride wore a blue dressmaker suit with black accessories.

The couple was attended by Miss

Melba Keith and Douglas Lewis.

Both the bride and groom are graduates of Cameron High School. Mrs. Nicholson, up until her marriage was employed at J. C. Penny Co. Mr. Nicholson is a veteran of World War II having served with the U. S. Navy in the Pacific Theatre of Operations.

The couple will make their home in Cameron.

Mr. and Mrs. Senkel Enjoy 25th Wedding Anniversary Dinner

Mr. and Mrs. Walter Senkel were surprised on their 25th wedding anniversary on Sunday, November 17, by a host of friends and relatives.

Cake, pie, sandwiches, hot chocolate and coffee was served to 41 guests. Many beautiful and useful gifts were received. Those present for the happy occasion were: Mr. and Mrs. Ernest Senkel, Mr. and Mrs. Curtis Phipps, who were the only children able to attend, Mr. and Mrs. Max Felder of Corpus Christi, Mr. and Mrs. Tex Daniels and son of Little River, Mr. and Mrs. Will Kohring and two sons of Holland, Mr. and Mrs. Johnnie Stoeber and daughter and Mr. and Mrs. Herman Stoeber all of Buckholts, Mr. and Mrs. Louis Denker of Cameron, Mr. and Mrs. Fritz Stoeber and children, Mr. and Mrs. John Senkel and daughter, Cameron, Mr. and Mrs. Otto Schulz and son and Mr. and Mrs. Otto Patska of Calvert, Mr. and Mrs. Will Stoeber and sons and Mr. and Mrs. Emil Roessler.

Bobby Hayes of Baylor University spent the holidays with his parents, Mr. and Mrs. John R. Hayes.

Kay Camp Is Host To Friends On Her 6th Birthday November 17

Kay Camp, little daughter of Mr. and Mrs. Emory Camp was honored on her sixth birthday with a noon day luncheon, at her home November 17.

The table was beautifully laid and centered with a large bowl of berries and greenery intermingled with turkey candles. Turkey with all the trimmings was served with an after course of ice cream and birthday cake.

Place cards of miniature turkeys were used. Seated at tables were the honoree's grandparents, Mr. and Mrs. E. A. Camp of Rockdale. Other guests to enjoy the happy occasion were: Nan Reno, Peggy Hightower, Johnnie Lane Young, Peggy Dismukes, Patricia Schiller, Judy Sharpino, Laura Swift, Nancy Jane Vogelsang, Nita Archer, and Mrs. Jim Kemp.

Leonard Baldwin of near Rosebud transacted business in Cameron this week.

Mrs. Lucille Brady, of Temple is spending the week end here with Mrs. Emma Butts.

Mrs. E. S. Shirley Is Host to Friends On Thanksgiving Day

Mrs. E. S. Shirley was hostess to a group of friends, at six o'clock Thanksgiving dinner on Thursday. She used Fall flowers from her garden to decorate her home.

The following guests were presented: Adolph Kaminsky, Mr. and Mrs. John Zajicek, Miss Shirley Spaulding of Buckholts, Jimmy Manning of Houston, Mrs. Tiny Green, Mr. and Mrs. Henry Green, and Ned Green, all of Cameron, and Mr. Shirley and their son, Bob.

A forty-two party preceded the dinner, with John Zajicek and Henry Green winning high score.

Mike Coleman Suffers Severe Burns While On Duty At Gallup

Mike Coleman, former resident here, was severely burned by electricity Monday while on duty with the Gallup Electricity Company in Gallup, New Mexico.

The extent of his injuries were not known here but information said his condition was alarming. Both arms

were badly burned.

He is the son of Mr. and Mrs. Charles E. Coleman of Cameron. He was formerly with the local theatres when owned by the late Sam Hefley.

Mrs. Coleman is the former Miss LaVerne Bowmer. Upon receipt of the message that her brother had been injured, Mrs. Ruth Rosson left Cameron to be with him.

Misses Gardine Stalmach and Irene Posival spent Thanksgiving holidays with Mr. and Mrs. W. A. Hester in Temple. Mrs. Hester is the former Margaret Posival.

Clayton Kahler spent the holidays with his parents, Mr. and Mrs. E. L. Kahler. Mr. Kahler is taking a premed course at Denton.

Chamber of Commerce Directors Are Facing Decision on Manager

Directors of the Chamber of Commerce are facing a decision on obtaining the services of a manager for the Chamber and with the meeting on Tuesday night the matter will be discussed.

Business men generally agree that the employment of a manager is the most important step that can be taken for the new year.

Since the resignation of L. Van Perkins as manager, the Chamber has employed a Secretary, Mrs. Minnie Nell Lewis whose duties do not include the work of a manager.

The Directors should make the decision and not only that they should employ a manager. Although no item in the budget calls for a Manager it was largely upon this hope that the membership greatly increased their dues for the new year.

A great step forward can be made to-night. Let us all hope the Directors staff the Chamber with a good manager whose duty it will be to manage our only commercial civic organization.

Mrs. W. T. Whatley, Jr. Hostess to Pleasure And Profit Club Here

The Pleasure and profit Club held their last regular meeting with Mrs. W. T. Whatley, Jr.

Miss Ada Margaret Smith gave an interesting review on the book "Out On A Limb", by Louise Baker.

Mrs. Whatley's rooms were attractively decorated with potted plants and fall flowers. During the business session names were drawn for the Christmas party which will be held at the Country Club on December 12 in the afternoon. Mrs. Earl Moseley, president of the Club will be hostess at the party.

At the conclusion of the business Mrs. Whatley served a delicious plate of ribbon sandwiches, candied apples, celery curls, and fruit punch to fourteen club members and Mrs. Harry Haraway, visiting guest.

Mr. and Mrs. Walter Senkel visited this week in the home of their daughter and son-in-law, Mr. and Mrs. Jack Yewell of Mission.

Wings Over Jordon Here Friday, Dec. 20

Wings over Jordon will appear at the First Baptist Church, December 20, at 7:00 p. m. Rev. L. L. Morris is pastor.

Tickets on sale at all Drug stores, and at the Enterprise and Cameron Herald printing offices. All tickets are sold in advance. None sold at the

door. A parade will precede this program through the principal streets of Cameron, at 4:30 p. m. Buy your ticket today. The Sponsor.

Mrs. Gene Blake of Hearne who has been ill in Newton Memorial Hospital is recovering nicely.

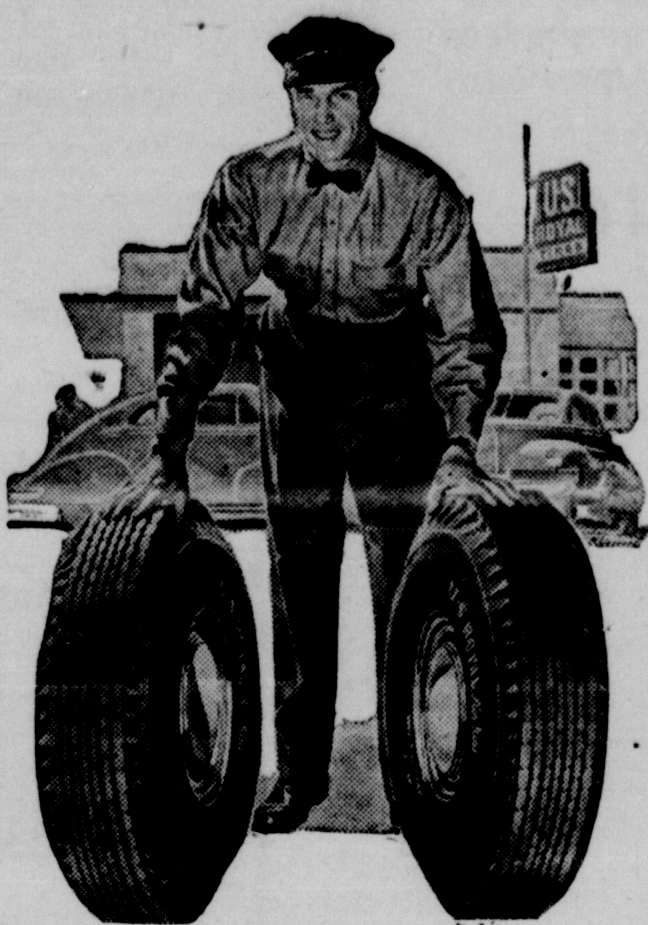

Stewart Perkins, Cadet student at Shriners Institute at Kerrville, and

Mrs. Emmett Streetman, and two sons, Emmett and Buddy, Mrs. A. H. Baskin Jr., and Mrs. Mattie Griffin attended the Xavier Cugat show at Waco Hall Saturday night.

Mr. and Mrs. Reed Rogers and baby of Temple, visited his father, Wm. R. Rogers here for a day.

We're expecting a lot of long distance calls on Christmas

Thousands of people will be calling long distance this Christmas.

There'll be so many calls that circuits—even with the hundreds of new ones we've added during the year—will be crowded beyond capacity.

Long distance operators will do their best to get every Christmas call through on time... and most calls will go through that way.

But in spite of every effort, we know some calls will be delayed.

If you can call before—or after—the holiday rush, you'll have a better chance of getting through promptly.

STREETMAN THANKS THE CIVIC BODIES IN CITY

I wish to take this means of thanking the civic organizations of Cameron for their full cooperation they gave in the recent and present fight over the closing of McCloskey Hospital at Temple. It was with pride that I reported at my recent called district convention at Waco on November 24 that every civic organization in Cameron, Texas had taken up the fight to keep the hospital open for the care and relief of the Veterans of Texas.

Every thing is looking brighter at present. However we cannot count our chickens before they hatch as the fight is not over. We are holding our fire until a final decision is rendered at Washington. You may rest assured that the entire department of Texas of the American Legion is working on it.

On behalf of Department of Texas, the 11th District of the American Legion, we wish to thank each and every one of you.

EMMETT STREETMAN,
11th District Commander

Misses Edith Walton and Lynn Skelton, students at TSCW recently visited relatives and friends in Cameron.

Winter wouldn't be so bad if it didn't permit the Spring poets an opportunity to write their stuff.

St. Rita Circle Held Meeting Wednesday

St. Rita Circle met on Wednesday afternoon with Mrs. August Kunz, and Mrs. Frank Hanel as co-hostess.

The business was devoted to planning a Christmas box for the Sisters at St. Monica's School. Each year the Circle makes their gift to the Sisters in sincere appreciation for their kindnesses throughout the year.

At the conclusion of the business hour, a delicious salad plate was served to nineteen members and two visitors, Mrs. August Kunz, Jr. and Mrs. Cornelius.

The next meeting will be held on December 18 at the home of Mrs. Leo Lanke, at which time the Christmas program will be presented.

The Jack Yewell's Are Parents of Baby Boy

Mr. and Mrs. Jack Yewell of Mission, Texas are the proud parents of a baby boy born December 2, 1946, at a McAllen Hospital. He weighed 6 pounds and 14 ounces, and has been named Michael Eugene.

Mrs. Yewell is the former Evelyn Senkel, daughter of Mr. and Mrs. Walter Senkel of Cameron, Michael Eugene is the first grand child for Mr. and Mrs. Senkel and Mr. and Mrs. T. E. Yewell of Mission.

sister, Miss Linda Perkins, student at State University, spent the past week end here with their parents, Mr. and Mrs. L. Van Perkins.

Reception Opens New Country Club House

Formal opening of the Cameron Country Club was held Wednesday evening with more than 100 members and guests taking part in the program.

The new club house, built ranch style, has just been completed. The club was recently re-organized with a lease on the grounds.

The golf course has been placed in condition to accommodate local golfers and among them women members of the club are taking up the sport.

Rev. L. L. Morriss Offers Auditorium For Wings Over Jordon

While serving as Camp Chaplain in the redeployment camps in La Harve, France, Rev. Lester L. Morriss, local Baptist pastor, renewed his acquaintance with Reverend Glynn T. Settle whom he had interviewed during Mr. Morriss's college days at Baylor after the latter had brought his famous Wings Over Jordon choir to Waco Hall.

Rev. Morriss states that he served with a group of other chaplains on publicity committees and in making arrangements to bring the famous choir to Camp Herbert Tarrenton at La Harve, France. After the concert of well balanced spirituals that helped soothe the homesick "G. I.'s" who filled the auditorium to capacity, Mr. Morriss and Mr. Settle talked at length about Texas and of the Baptist Church work. Rev. Settle talked in "glowing terms" of his work in the great Gethsemane Baptist Church of which he is pastor.

Mr. Glynn T. Settle is the originator of the Wings Over Jordon group who will appear in a program in the auditorium of the First Baptist church of this city Friday night, December 20 at 7:00 p. m. This appearance is for white patrons only, later the group will be heard at the colored Methodist church for members of their race.

Mr. Morriss announces he is delighted to offer his church auditorium for such a community project. This group is heard regularly over the Columbia Broadcasting System and have been heard in concerts in the White House, Convention Hall in Philadelphia, Town Hall in New York City, The War Memorial Auditorium in Trenton, New Jersey; the Atlanta Auditorium and Armory in Atlanta, the Municipal Auditorium in Charleston West Va., Birmingham, Ala., and Asheville, N. C., and have also given concerts at Soldiers Field in Chicago and Symphony Hall in Boston.

XMAS CRIB TRADITION FOUNDED BY MEDIEVAL TABLEAU IN OLD NAPLES

In 1787, Goethe describes Naples as the city of Christmas Crib: every church had its "Praesepe" and families erected evergreen shrines within their homes and upon the flat roof-tops of their dwellings where Vesuvius and the starlit Neapolitan sky created a Hollywood-like background.

St. Francis of Assisi received special permission from the Vatican to present a Christmas tableau in 1223. The first "Praesepe", set up in the chancel of the church in Greccio, Italy, was complete with real live animals.

Muse Motor Company Is Observing First Year In Business Here

The Muse Motor Company is observing their first year in business. A year ago John Muse moved into his new building at 206 North Fannin where he has the Buick agency and a general repair and service garage.

Eddie Dodson and Clarence Allison chief mechanics at the garage were sharing in the celebration of their first year in business. "I want our friends and customers to know how much we appreciate their business. Our first year was most successful and I am joined in this word of thanks by Mr. Dodson and Mr. Allison who have taken care of the shop and given you the best of service," said Mr. Muse.

Mr. Muse has been able to deliver a number of new cars and has some good used ones on hand. He is looking forward to 1947 hopefully about new car deliveries.

B. & P. W. Club Hold Regular Meeting

Regular business meetings was held Tuesday evening of the Business and Professional Women's club at their club rooms, with the president, Miss Mary Randolph presiding. At this meeting the club voted to give \$10 to the fund to be sent over sea for the relief of the hungry natives. They also voted to have a Christmas party, and each member will receive a small gift, and will bring a covered dish for the supper to be served which will be followed with games.

Special Services At Baptist Church Sunday Night, December 28

A service which will feature College Students home for the Christmas holidays will be enjoyed by the members of the First Baptist Church of this city when it observes its "Student Night at Christmas" on Sunday night, December 29.

In announcing the special night Rev. L. L. Morriss, pastor of the church, states that "Student Night" is widely observed among the Baptist people of the Southern Baptist Convention. It has won its place in the program of their churches. It informs the people at large about the work of Southern Baptist with their students. "This year we have sought especially to make it spiritually uplifting," Mr. Morriss stated.

Local members who are responsible for this service are: Mrs. Wells Smith, general director; Mrs. Eber Flinn and Mrs. C. B. Jenness—Program; Mrs. Earl Moseley—Decorations; Mrs. J. H. Angell—Refreshments; Miss Winnie Henderson—Welcome; Mr. Francis Cox—Music; Mr. James Heffington—Ushers; Mr. Jack Hardy—Publicity.

Phone your news items to 282.

Mr. and Mrs. H. Haase Have Son Born Early Wednesday Morning

A baby son, Robert Henry, was born at 5:40 a. m. Wednesday in Union City, New Jersey to Mr. and Mrs. Herbert H. Haase, a telegram informed grand parents in Cameron. The mother is the former Miss Mary Frances White, daughter of Publisher J. B. White and Mrs. Leona G. White of Cameron. The father Herbert H. Haase was born and reared in West New York, New Jersey and is a veteran of World War II, having served in the Pacific.

Robert Henry is the third grand son in the family, the other two Jeffrey Alan and Phillip Milam White, sons of Mr. and Mrs. Thomas J. White of Houston.

Mrs. Haase and baby are doing splendidly at the Uniontown Hospital.

From where I sit ... by Joe Marsh

A Grand American Tradition

The Cuppers had a grand old family reunion last week—for the first time since the war.

Big and little Cuppers came, by car and train, from as far west as Nebraska and as far east as Vermont. They crowded Dee and Jane's house, set up quarters in the barns, or stopped with neighbors—and a jollier gathering you couldn't have imagined!

I was asked to their final Saturday night supper, when they sang old songs, drank beer and cider, reminisced. Dark Cuppers and

blonde ones—Vermont accents and Alabama drawls—doctors and farmers... all with their differences of taste and politics, yet as close and harmonious in spirit as a group could be.

From where I sit, it's a great American tradition—not just family reunions, but the ability to get along as one harmonious family, regardless of differences of taste—whether it's taste for politics or farming, beer or cider.

Joe Marsh

Our First Anniversary

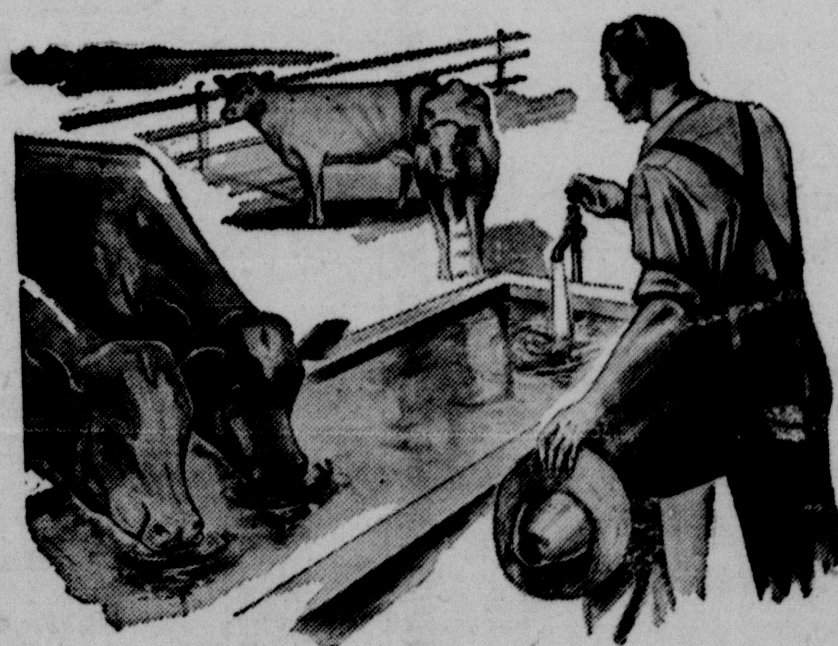

We are this week remembering with satisfaction our first year in business at our present location on North Fannin Avenue.

This is our First Anniversary and joining me in expressing appreciation to our customers and friends are Mr. Eddie Dodson and Mr. Clarence Allison, our master mechanics in charge of our service garage.

We are looking forward to 1947 with plans to serve you better, but we are not forgetting those who made our first year a success.

THIS BEATS THE "Good Old Days"

In the so-called "good old days" water had to be pumped by hand and many other back-breaking jobs made the farmer's day a succession of tiresome chores.

But life on thousands upon thousands of Texas farms has been changed. Rural electrification, pioneered in Texas by Texas Power & Light Company, has shortened the working hours by relieving the farmers of scores of jobs. On the modern Texas farm, electricity provides running water just like city folks enjoy... preserves foods through refrigeration and freezing... saws the wood... milks the cows... and does scores of other things to help both the farmer and his wife!

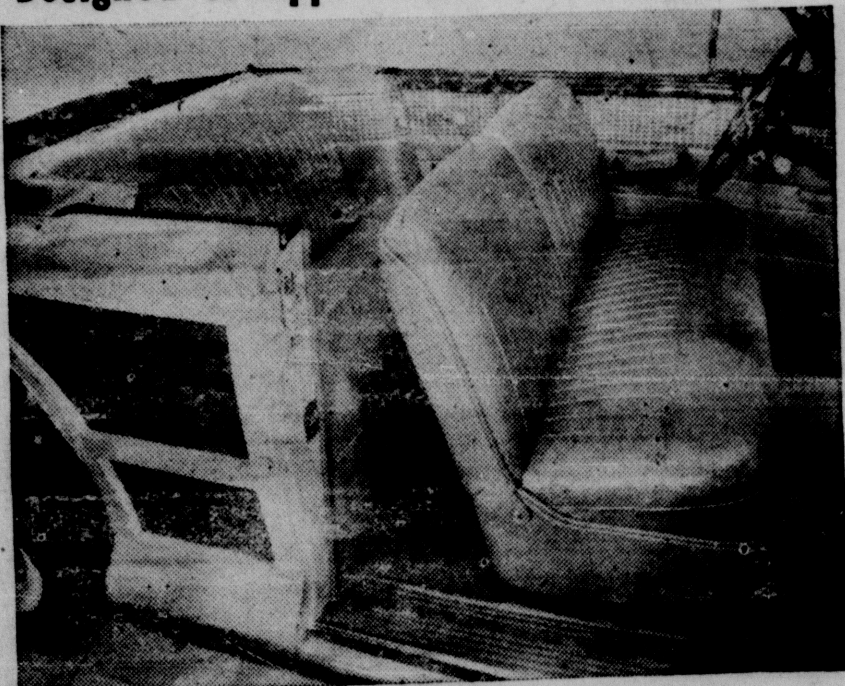

Since 1915, Texas Power & Light Company has been extending its rural lines to bring dependable, low-cost electric service to farm and rural homes. By 1921, the Company was serving 6,926 rural and farm families and today serves from its 7,000 miles of rural lines more than 68,000 farms and rural homes in North, Central and East Texas.

Back in 1927, John W. Carpenter, president of the Company, called a special meeting of officials of other power companies, farmers, business men and representatives of state educational institutions, at which meeting the Texas Committee on the Relation of Electricity to Agriculture was formed. This Committee has since its inception, conducted research to speed up farm electrification and has advised farmers on the efficient use of electricity on the farm.

AN ENTIRELY NEW CHRYSLER

Designed to Appeal to the Individualistic

This interior view of the Chrysler Town and Country Six-passenger Convertible shows an artistic combination of pleated leather and rayon in the upholstery and trimmings. This combination may be had in several colors, to match the exterior color scheme of the car. The massive size of the body members, which are of white ash, indicates the stability of the car. Panels are of mahogany, on plymetal. The body is mounted on a Chrysler "New Yorker" chassis, powered by an eight-cylinder engine. From front bumper to windshield, the design is the same as that of the steel-bodied models of the 1946 Chrysler line. From the windshield back, the Convertible has a style all its own.

This New Automobile is now on display through December 14, 1946. You are cordially invited to come in and see it.

REGIONAL GAME SITE IS SELECTED SATURDAY

Cameron will play Mart for the Regional Football Championship in Temple Friday night, December 13, it was announced early Monday morning by Dick Young, line coach who was in Marlin Saturday night to attend a conference of school officials.

Coach Leo Jackson and Superintendent W. T. Hanes were at the Marlin meeting and early Monday left for Waco to attend a further parley by the officials who have yet to iron out some of the details of the game.

Mart school officials have raised an objection to the uniform worn by The Yoemen and that is one of the main controversies to be settled in Waco Monday.

In Marlin Saturday night the Mart officials held an executive session and no one knows what was discussed. It was reasonably certain that the admission prices to the game may have been under discussion.

Mart refused to come to Cameron, although a good financial offer was made. They wanted to toss a coin but Cameron declined and so Temple was selected as the site. So it is Woodson Field Friday night, December 13 at 7:45 for the Regional Title Game.

Mart went to the Regional Finals by defeating McGregor on December 6 by a score of 21 to 7 in Mart.

Photo Christmas Cards

Come by and see our samples of Photo Christmas Cards . . . We can put any Kodak snapshot or studio picture on the card. If you have the picture, the negative is not necessary. These cards take special materials. We are limited on this material and time. Order early and be sure to get yours. Prices are low.

Johnson's Studio

PHONE 161

CAMERON, TEXAS

In the game at Temple the schools will share proceeds on a 50 per cent basis. The Temple Chamber of Commerce had representatives in Marlin and all financial details of the game will be paid for by the Chamber. Pay for the game officials and for the football will be deducted from the proceeds of the game.

Mr. Young said that reserved seat tickets will be placed on sale here and in Mart early. The price was reputed to be \$1.25 which includes tax.

Sturent tickets will go at 30c and will also be placed on sale here and at Mart.

Those who plan to attend the game will do well to go at once for their tickets. At the gate on the night of the game the admission price will be the same as the reserved seat

price but no seat will be guaranteed. The Temple stadium seats about 12,000 people.

Mart has no band but a pep squad of 50 members and these will be admitted free along with the members of the Cameron band and the local pep squad.

It was indicated that the Temple Band might also be at the field to give color to the game program.

Johnny Riola is coach at Mart and is a Temple born boy and a relative of Charles Riola, 210 pound tackle on the Yoemen team.

Mr. and Mrs. K. D. Griffin are the proud parents of a fine young baby girl, born Monday night, November 25 at a local hospital, Mrs. Griffin is the former Miss Frances Nabours, of Cameron.

Warning! On Fire Losses

In the corporate limits of the City of Cameron, our Fire losses from 1940 through 1945, a period of five years, were \$32,776.78.

This property is wasted in preventable fires, destroyed and gone forever in smoke and ashes.

A lot of people are seeking a place to live, in the city's most acute housing shortage.

This critical problem can only be met by individuals in united effort, in constant caution to prevent fire, wherever fire can start.

The new club house was opened with a reception from 7 to 9:30 and supper was served from the attractive kitchen. Flowers were placed at vantage points to give the formal opening a colorful setting. A series of family gatherings are planned and P. W. Davis has been named chairman of the committee.

L. C. Burke of Davilla visited in Cameron this week.

CHRISTIAN SCIENCE SERVICE

"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ Scientist, on Sunday, December 15.

The Golden Text is: "As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever" (Psalm 125:2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord is thy keeper: the Lord is thy shade upon thy right hand" (Psalms 121:5).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man, made in His likeness, possesses and reflects God's dominion over all the earth" (page 516).

Rev. J. A. McIver, member of the faculty at Southwestern Seminary was a business visitor in Cameron this week.

Ed Kotrola who is with General Tire and Rubber Company in Waco, visited relatives and friends in Cameron recently.

Mrs. Mike Hagerty has been visiting her sister, Mrs. Winnie Hunt, who is sick at her home, but is improving.

Santa Claus

Letters

The big annual Christmas edition of The Cameron Herald will be issued on December 20 and letters to Santa Claus will be included. We cordially invite the children to begin now to tell Santa Claus what they want for Christmas and we appeal to the schools to co-operate with us again this year.

WANT TO BUY a middle breaker for John Deere Tractor, Lawrence Vrazel, Rt. 2, Buckholts. 32-1tp

Reason for Eight Reindeer

Have you ever stopped to think why St. Nicholas drives eight reindeer instead of one? You haven't? Well, let's pause for amoment and figure it out.

St. Nicholas is a mythical character, he rides in a mythical sleigh, carries a mythical bag, and drives mythical reindeer. The creators of St. Nicholas knew that one reindeer would do the job, but in order to make the character more impressive and longer remembered, they hitched a matched unit of eight to the sleigh.

Vesper Services At Presbyterian Church Friday, December 20

COAL SHORTAGE FELT AS POSTALS ARE CUT

First effects of the coal strike were felt in Cameron early Thursday when Postmaster John R. Hays received notice that effective after midnight tonight, ecember 6 no first class or fourth class mail including air mail will be accepted which weighs more than 5 pounds, more than 18 inches in length and 60 inches in girth.

Exceptions are being made in case of perishable foods and letters or parcels with APO addresses to the armed forces.

The new regulations drastically restricting parcel post traffic were communicated to the local office by the Postmaster General in Washington and are attributed solely to the coal strike.

VETS WIN TO RETAIN MCCLOSKEY HOSPITAL

War Veterans won their fight to retain McCloskey Hospital in Temple, it was disclosed here Wednesday night by Emmett Streetman, 11th District Commander of the American Legion.

The hospital will continue to be operated by the Veterans Administration in Washington.

Mr. Streetman had been active in the fight to keep the hospital open as a veterans medical center under government control. He had called a meeting of District veteran leaders in Waco and had filed many tele-

grams and protests when it was indicated the great hospital might be abandoned by the Administration.

Ernest G. Eggert of Atlanta, Georgia arrived by plane Sunday to attend the funeral of his father. Mr. Eggert is Public Health Engineer with the Georgia Department of Public Health. His two sisters, Mrs. C. H. Watson of McGregor, and Mrs. John F. McLane of Houston are also here. They will remain in Cameron for several days before returning to their homes.

Herman Hoelscher of Rural Route 1 was a business visitor in Cameron Tuesday.

Phone your news items to 282.

NOTICE To The Public

All of the land which I own or have rented in Milam County is being and will continue to be poisoned against grasshoppers, other insects, and other pests until March 1, 1947. My land is posted according to the requirements of the law. The poison will be dangerous to depedating livestock (cattle, horses, mules, sheep, goats, and or hogs), and I hereby warn that I will not be responsible for the harm done to any livestock trespassing on my land.

Randolph Scott And Lynn Bari Are Teamed Home Sweet Homicide

When the three precocious and imaginative children of a writer of best-selling murder mystery thrillers begin to take their author-mama's novels to heart and try to mould her life accordingly, anything can happen.

What does happen, as based on Craig Rice's famed best-seller, "Home Sweet Homicide," which 20th Century-Fox has brought to the screen, is said to make for this year's most hilarious motion picture hit. The film, featuring Peggy Ann Garner, Randolph Scott, Lynn Bari, Dean Stockwell and Connie Marshall, opens Thursday at the Cameron Theatre.

"Home Sweet Homicide" is said to be based on author Craig Rice's own home life; her three children literally lap up her detective yarns as fast as they come out of the typewriter, and it was the children who were her inspiration for this book. In the film, Lynn Bari is cast as the widowed author-mother who is plagued by the double chore of turning out best-selling mystery novels and keeping her trio of lively youngsters in check. Peggy Ann Garner is seen as the eldest, more "sophisticated" child, while Dean Stockwell and Connie Marshall appear as her brother and sister. Randolph Scott is the bewildered detective whom the kids divert into romantic channels.

Jimmy Hauk Sustains Broke Right Ankle In Rugged Game Friday

Jimmy Hauk, half back starter on the Yoemen Bi-District Championship team sustained a broken right ankle Friday night in the rugged battle at Fredricksburg.

It was late in the third quarter when Hauk was injured. He was carried from the field and later from the club house was placed in an ambulance by Superintendent W. T. Hanes and Dr. Clifford Swift and rushed to the St. Edwards Hospital in Cameron.

Jimmy was resting well but will not be able to play any more this year.

A number of the men was injured in the game. Laurence Michalka pulled up with a charley horse and T. J. O'Neill was in bed Saturday morning

from a terrific beating by the Hill Billies who had marked him.

Alvin Gerick of Cameron, Texas is a member of the varsity basketball team at McMurry college, Abilene. McMurry has played Wayland college, Daniel Baker college, and John Tarleton this season, and will play Texas Tech, New Mexico, A&M, and

Mrs. Watt Henderson, former citizen of Cameron, and now of Lake Charles, La., is visiting Mrs. H. E. Colburn.

ATTENTION, MOTHERS! If looking for a better remedy for Children's Chest Colds try Durham's Nu-Mo-Rub, the new Gule-col-Camphor treatment. Remember—double the purchase price refunded if you do not find this Modern Chest Rub more effective —35c and 60c at

HARRY HARAWAY

Future Foretold By Drowsy Hens

Divinations were an important part of the Christmas festivities in Czarist Russia.

After a special family Christmas dinner, the girls of the household placed five piles of grain upon the kitchen floor: each pile was given a name, such as Hope, Ring, Money, Thread and Charcoal. A drowsy hen was fetched from the henhouse and allowed to walk around the kitchen floor and choose a pile of grain.

Obviously the hen's choice of Money meant wealth; Ring, foretold a wedding within a year; and Hope, promised the fulfillment of a wish or a long journey. If the sleepy chicken chose the grain designated as Thread, a life of toil was predicted for the marriageable maiden of the household; and Charcoal was considered an omen of death in the family.

Old songs were sung to accompany such goings-on, while the girls and women vied to devise complete stories based on the antics of the hen.

Yule Means December
 The word "Yule" for Christmas comes from the Anglo-Saxon "geol," meaning December.

LONE STAR GAS COMPANY

(continued from page one)
and Burke punted over the goal.
Molberg failed to gain and his pass was intercepted by O'Neill who fumbled but Cameron recovered. Billy Hauk wh osustained a broken right ankle late in the third quarter, picked u p4 and Burke made it a first down and the ball was on the 25. Burke and O'Neill got 9 yards in two trys. Then it was Paul Hauk who skirted the Hill Billy right end for 16 yards and a touchdown, promptly booting it through for the extra point and the score was 14 to 0. That was the end of Cameron's scoring but it was enough to make them Bi-District Champions.

Late in the third quarter Molberg intercepted a Cameron pass and on two plays had a touchdown. Molberg on the first play threw a pass to Andrew Rode who was wearing No. 40 jersey, a substitute back who stretch-the heave for 60 yards and the ball was on the 3 yard line as Michalka coming up fast succeeded in bringing Rode down. On the next play Molberg went over and the score was Cameron 14, Fredricksburg 6. The extra try by Robert Schlaudt was no good for the Cameron line blocked the kick. That was the ball game.

The Hill Billy line saw to it there was no more scoring. Cameron made many threats even going to the 2 yard line with 4 downs to go and could not score.

Space forbids play by play but the complete story will be printed from day to day.

Play by Play—

(continued from page one)

an attempted quick get away. Burke made a first down and the ball was on the Hill Billy 25. Burke and O'Neill picked up 9 yards on two trys and Burke slipped away around the Hill Billy right end for 16 yards and a score. He was untouched. Burke kicked the extra point and the score was 10 to 0 in favor of Cameron.

Riola kicked to Molberg who was stopped by Wallis after a short return. Molberg picked up 6, hit hard by Salach. The Hill Billies drew a five yard penalty for back field in motion and Molberg's pass was no good. A quick kick put the ball on the Cameron 40 as the quarter ended. Score 14, Fredricksburg 0.

Second Quarter

On the first play of the second quarter T. J. O'Neill picked up a yard on an end around. The Hill Billies had marked the fast back and he had difficulties all night. Paul Burke got 5 yards through center and on the next play Laurence Michalka, feinting a pass raced 20 yards around the Hill Billy right end then picked 8 more. Burke fumbled on the next try at the line and the Hill Billies recovered on the Cameron 40. Molberg went into the air but his pass to Dietrich was no good. Molberg made a first down on the 50 and almost got away. Dietrich picked up 4 and T. J. O'Neill intercepted a pass on the Cameron 25 to break up the rally. The pass was deflected and spilled into O'Neill's hands. He ran it back 10 yards and the Hill Billies called time out. Bob Holloway, left end, Eugene Salach, tackle and Charles Duncan, guard, were stemming the tide of Hill Billy offensives. It was great line play. Here the penalties set it like a plague. The Yoemen got 5 for backfield in motion as Burke ripped off 4 yards. Burke then fumbled a hand off from Michalka and lost 7. Burke's punt was bad, traveling only a few yards and was run back 15 by Dietrich. Molberg went around the Cameron right end for 15 yards and a first down and the ball was on the Yoemen 35. It was the first real threat of the game for Fredricksburg. Jimmy O'Neill and Eugene Salach stacked up the next play but Molberg went to the Cameron 15 for a first down. Duncan broke through and spilled Molberg for 5 yards loss and then the Hill Billies were penalized 5 yards for backfield in motion. Molberg tried to pass to Rode but it was wide. Cameron drew 5 yards for too much time out. Dietrich cut out wide around the Cameron right end and raced over the goal for a pass from Molberg but it was no good. Another pass over the goal to Rhode failed and the ball went over. There were 5 minutes left to play. O'Neill picked up 11 yards and a first down. Michalka failed to gain and then Joe Hawkins took a pass from Michalka that was good for 35 yards. Cameron drew an off side and the ball was on the Hill Billy 30. A goal line pass to Hawkins was no good with Burke heaving. O'Neill raced to the 15. Burke fumbled and Cameron lost 5. The ball was recovered by Salach. A fourth down try a pass Burke to O'Neill failed and the ball went over.

Molberg punted from behind his goal and O'Neill made a short return. Cameron drew a five yard penalty. Cameron drew another 5 yards for too much time out. Hauk took a pass from Michalka to get a nice gain but Cameron was set back 15 yards for offensive holding. O'Neill broke

away for 30 yards and the ball was on the 10. Burke lost 3 and Cameron drew five yards for too much time out. It was incredible. Molberg intercepted a pass intended for O'Neill and ran it back to his own 35. Molberg's pass overshot Dietrich and Rhode failed to haul down a pass on the Cameron 40 as the half ended. Score Cameron 14; Fredricksburg 0.

Third Quarter

Schlaudt for Fredricksburg kicked off to O'Neill who made a short return. Hauk made 5 yards and Burke failed to gain but picked up 5 on the next play and Cameron had a first down. O'Neill took a pass from Burke on the Hill Billy 15 and was going away but dropped it, a tough break. O'Neill got 20 yards around right end for a first down, a neat sprint. Burke was thrown for a one yard loss and then made a first down to the 31. Cameron drew a 5 yard penalty for back field in motion. O'Neill got five and Joe Hawkins failed to get Burk's pass. Burke broke through tackle to the 12 and it was a first down. Burke lost 3 and failed with a pass to Hawkins. O'Neill broke around left end to the 2 and a first down. Burke failed to gain and a pass to Hawkins failed. Burke carried to the one foot line but the Hill Billy line rose up and smacked down a fourth down goal try and the ball went over.

Molberg, deep in his own territory passed to Rhode who ran to the Cameron 3 being knocked out of bounds in a desperate race with Michalka. On the next play Molberg went over for the score. Schlaudt's try for the extra point was blocked by Jimmy O'Neill. The score Cameron 14, Fredricksburg 6.

Schlaudt kicked off and O'Neill received, handing off to Paul Burke who raced to the 50. Billy Hauk was carried from the field with a broken right ankle. Burke made a first down on the 35 and then picked up 3 at center. Michalka failed on a prodigious end around run. A fourth down pass to Hawkins failed and the ball went over. The whole center of the Cameron line got through and smeared Molberg for a 4 yard loss. Priess got a first down and Cameron was off sides again and the penalty was refused. The Hill Billies were outplaying the Yoemen. Molberg passed for another first down and then another pass to Priess was good for 5. Boy Tanner, the Hill Billy quarterback was hurt and time out was called. Salach broke up a pass by Molberg. Molberg ran for a first down, stopped by Wallis. A pass failed to click and Molberg got 2. Fredricksburg drew a five yard penalty for back field in motion and Wallis intercepted a pass but fumbled. The ball was recovered by Hol-las as the third quarter ended.

Fourth Quarter

The game is getting rough. We just learned that Billy Hauk has a broken right leg. If we win here we will be in bad shape for the regional game a week hence. Both teams are getting tired but Cameron seems to show the effects of a 3 weeks lay off Richard Earl Burke has gone in for Hauk. Ball is on the 40. It changes hands quickly as Burke fumbled and lost and then Hawkins hit Tanner who fumbled and the ball was back on our side. Hollas comes in for Duncan who has played a great game at left guard. Tempers were brittle and Cameron drew 15 yards for slugging and Burke got off a poor punt and the ball was out on the Fredricksburg 47 yard line. Molberg went in the air three times but no pass was good so he kicked and Burke was downed in his tracks. O'Neill picked up 7 and Burke made a first down on the Hill Billy 45. Michalka made 5 yards and Frantzen, the Hill Billy left end was hurt on the play. Michalka promptly lost 7 yards and O'Neill got 5 of it back. Fredricksburg was penalized 5 for offsidess and Michalka went through center for a first down but Cameron was penalized. Richard Burke in his first offensive try of the game made 8 yards and then added 5 more but it was not enough and the ball went over on the Fredricksburg 35. Molberg threw a long pass to Dietrich and interference was allowed. Paul Burke intercepted a pass and ran the ball back to the Cameron 42. Cameron drew another penalty. On two line plays the Yoemen could not make a

first down. Michalka faded back and threw a pass to Joe Hawkins who ran over for a touchdown. It was a brilliant catch but Cameron was penalized for off sides and Burke punted over the goal. Molberg tried to pass but it was broken up and Cameron was set back 5 with another penalty. This is something that has never happened to the Cameron team in such repetition, these penalties.

Priess made a first down on a pass from Molberg. Hollas was hurt and carried from the field. The game is about over. Wallis broke a pass intended for Dietrich and Michalka intercepted the next heave by Molberg. Richard Burke circled the Hill Billy right end for 5 yards as the game ended. Final score Cameron 14, Fredricksburg 6.

Air Mail Survey Is Under Way In City

A survey to determine the amount of air mail available for mail planes was under progress in Cameron.

J. R. Hays, postmaster, said that the survey will be concluded on Saturday.

The purpose is to determine whether air mail service direct from the Cameron municipal field will be feasible.

If it is determined that such a venture would meet the government demand Cameron would have a daily mail plane.

It is believed that this city would show a sufficient amount of such traffic to justify the plane and thus would result the first commercial and government use of the field.

REGIONAL GAME TICKETS ON SALE HERE WED.

Tickets for the Regional football game between Cameron and Mart to be played in Temple on Friday night, December 13 will be placed on sale at the Texas Power & Light Company Wednesday, it was announced by Superintendent W. T. Hanes.

Reserve seats number 2900 and they have been apportioned as follows 750 each to Cameron and Mart and 500 to Temple. Student tickets will be 30c if purchased in advance and reserved seat adult tickets will be \$1.25 which includes tax.

All seats purchased at the gate in Temple will be \$1.25 regardless of whether they are students or adults. No greater emphasis could be placed on the importance of buying tickets while on sale here.

Tickets will be withdrawn at 3 p.-m. Friday and all unsold tickets will be delivered to the authorities in Temple.

Coach Jackson and Superintendent Hanes returned early Monday from a conference in Waco with Mart officials. Complaint was raised about the Cameron uniform but there was no yielding on the part of the Cameron representatives and the Yoemen will wear their regular suits. Mart officials complained that the suits are too much like the ball in color and thus adds to the deception of the T-Formation. Since there is no rule governing such a complaint it was a matter of refusing. A suit was taken along to the meeting and everyone came away satisfied.

Mart on Saturday night in Marlin proposed that Cameron borrow uniforms from A&M College and Mart would borrow from Baylor. The Cameron uniform is almost identical with the A&M uniform.

The game will get under way at 7:45 p. m.

Johnnie Morrow, regular Southwest Conference referee, who had just reached Waco from the West Coast where he officiated in the Kilgore-Compton College game, will referee the game between Mart and Cameron. Carl Bredt will be the umpire and L. B. Shiflett will be the head linesman. D. C. Morgan will be the field judge.

John K. Chandler of Maysfield was a business visitor in Cameron recently.

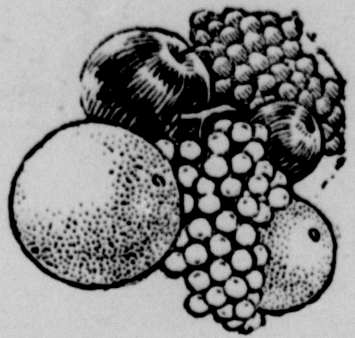

Bon Ton Bakery Will Soon Open Cafe Here

Fred Jackson, owner of the Bon Ton Bakery, will soon announce the opening of a cafe in connection with his coffee bar.

Mr. Jackson is installing the most modern equipment for handling foods, which includes cookers and food preservers. He has also installed booth tables along the west wall and the shop is very attractive.

Mr. Jackson was formerly in charge of the kitchens at the Baker Hotel in Dallas and formerly operated a cafe here. The bakery has been a great success.

Ray Kurtz and Bernice Jistel visited in Houston last week.

BOYCF HOUSE

The old-time writers, in sketching the life of some great man, would write, "He was born of poor but honest parents." Why "poor BUT honest"? Most folks are poor and honest, too. The fact that a man is poor is a pretty good sign he's honest—because if he was dishonest and stole very much, he wouldn't be poor, would he?

A note from Frank Baldwin, colorful Waco, editor: "If you ever get in trouble, call me collect. Get in trouble, too. My experience has been that it's a lot of fun."

Fact of the matter is, controversy appeals to me, especially when there is an opportunity to render public service, along with the joy of a good scrap. As an illustration:

Winding through the great East Texas oil field is the Sabine River. Under the riverbed, nature stored a vast amount of oil, which belongs to the State Permanent School Fund. The State invited bids from oil companies so that leases might be awarded, the oil produced and the schools receive the royalty. The bidders offering the highest royalty were given the leases.

But after a number of wells had been drilled, some of the companies wanted the royalty reduced and the State agreed. That was the situation until, as a newspaperman studying public affairs in Austin, your columnist found out about it and, through the press, revealed the story.

School leaders, school trustees and the public joined in, and we insisted until the original royalty was reinstated and thereby the schools have benefitted, and will benefit, to the extent of millions of dollars.

Maysfield News

Mrs. Lee McCrummens of Houston and Mrs. H. K. Smith of Alvin were visitors in the home of their aunt, Mrs. Lula Wilkerson last week.

Mr. and Mrs. Jack Krauel and daughter, Kay are visiting in the Frank Barrett home.

Mrs. Sam Clark and son, Johnnie Phipps spent the week end in Houston with Miss Doris Phipps.

Several from here attended the football game at Fredricksburg Friday night, and spoke highly about how nice the people there treated the Cameron fans.

Mr. and Mrs. Hubert Colburn made a trip to Houston Tuesday.

Friends of Rus Fikes regret to learn of his death in Waco on Monday. Funeral services were conducted at Yarrrelton Church Tuesday, with burial in North Elm cemetery.

Week end visitors with Mr. and Mrs. C. E. Russell were; Mr. and Mrs. Mutt Russell, Mr. and Mrs. G. L. Gallatin and Patsy, Patsy remained over to spend the week with her garndparents.

Misses Genie Solomon spent Sunday with Betty Lou Gibbs.

South Sea Islands Are Now

Paradise Lost; War Blamed

CINCINNATI.—That South Sea island paradise of the 19th century romanticists is gone, says Dr. John Wesley Coulter, University of Cincinnati professor of geography and authority on the Pacific islands.

Sweeping changes brought about by World War II are described by Dr. Coulter in the American Geographical Society's Review.

Although South Sea islanders have been influenced by Europeans and Americans for 150 years, the recent war in five years changed them more than in all time before, he points out.

"Whole villages were removed to make way for airplane fields and hangars," Dr. Coulter writes.

"The economic life of the natives was transformed by an unprecedented influx of money which G.I.s generously paid out for souvenirs, laundry and coconuts.

"Thousands of natives were recruited for labor battalions and received wages far above anything they had ever earned before.

"Natives trained as commandos will not be content to fit themselves into the composure of village life under chiefs who stayed at home."

Drying Dresses

Placing dresses just washed on hangers keeps them in shape, but be sure the hangers are not rusty, or cover them carefully with plenty of cloths.

Fredricksburg Hill Billies Wish Yoemen Luck Against Mart

The Fredricksburg Hill Billies, defeated Friday night by a score of 14 to 6, have dispatched a telegram to Coach Leo Jackson and the Yoemen wishing them luck against the Mart Panthers in the regional game to be played at Woodson field in Temple Friday night, December 13.

Here is the telegram:

"Wishing you luck against Mart, also a speedy recovery for Billy Hawk.

Fredricksburg Team"

British Veteran Finds

Dimout in Light-of-Love

MILWAUKEE. — A British naval veteran who traveled all the way from Nottingham, England, to be married learned that the lady had changed her mind.

It all came about because Norman Throp, 23, a former radio officer in the British navy, didn't receive a letter which Viola Wellstein, 23, of Milwaukee, sent him saying that everything was off.

Throp and Miss Wellstein met at a dance in New York last October. She said that she just didn't feel the same way about it that she did in New York.

San Salvador Government

Bans Airlines Over Country

GUATEMALA CITY, GUATEMALA.—Government authorities instructed airlines not to fly over San Salvador although planes will be allowed to land at Ilopango airport, five miles from the capital of El Salvador.

The order was not explained, but it was believed here to be due to fear that planes over San Salvador might be fired on as a result of tension arising from a general strike by Salvadorean workers, merchants and students demanding political changes.

Moths Destructive

One female moth and her family can destroy, in a single year, as much wool as it would take one dozen sheep to produce.
